"I was so grateful we took this tour. I had no idea how windy the roads were and how narrow. Our expert guide took us to some amazing beaches. Fantastic outcrops with magical legends of Maori settlements. Our guides were so knowledgeable about the history of the area. They added their knowledge of flora and fauna to the mix and kept us buzzing all day. What an amazing way to get to know the Coromandel. I have come away with lasting memories and highly recommend your tours."
